Highlands Little League

1.0 General Policy

It is the intent of Highlands Little League to accommodate any player who wants to play baseball or softball, lives or attends school within the Highlands Little League boundaries (established by Little League Inc.) and meets registration requirements established by Little League Inc. No player will be turned away except for severe disciplinary reasons or restrictions.

Highlands Little League follows the rules as set forth in the Official Regulations and Playing Rules for each chartered division for the current year. Highlands Little League has adopted supplemental rules (Local League Rules) that augment the Official Regulations and Playing Rules.

Managers and coaches (and players and parents) are responsible to know these Supplemental Rules as well as the Official Regulations and Playing Rules authorized and published by Little League Baseball, Inc. Games played by teams in an "interleague" format, regardless of their opponent, will be governed by the interleague rules.

Highlands Little League shall enforce the age and residence rules during registration in compliance with Little League, Inc.

Managers, coaches, players, parents, spectators, etc., shall not consume alcohol or tobacco products at any Highlands Little League function.

1.2.2 The proofs of residency shall be kept with the waiver until the player no longer plays for Highlands Little League.

1.2.3 Per Little League rules, if a player playing under a Regulation II(d) waiver does not play the following year, that player is not eligible to play for Highlands Little League unless that player establishes residency again within the Highlands Little League boundaries.

1.2.4 Highlands Little League strives to provide the safest playing environment possible.

1.2.6 Our facilities are periodically surveyed and maintained to the highest standards to prevent injuries and mishaps.

1.3 Background Check

Highlands Little League is required to have all board members, managers, coaches, and other volunteers or hired workers who provide regular service to the league and/or who have repetitive access to, or contact with players or teams fill out the official Little League® Volunteer Application. Additionally the league has been and is required to conduct a background check on each of these individuals. **Little League Regulation I (c) 9 has been revised to state that all leagues in the United States, are required to conduct background checks that utilize JDP Background Screening, or another provider that is comparable to JDP in accessing background check records for sex offender registry data and criminal records.**

Each volunteer or hired personnel is required to complete and submit a Little League® Volunteer Application (either paper or electronically) to the President, Vice President, or Chief Player Agent/Registrar.

1.3.1 No one will be allowed to participate in any manner, whose background check reveals a conviction or guilty plea for any crime involving or against a minor.

1.3.2 Highlands Little League may also prohibit any individual from participating as a volunteer if the individual is deemed unfit to work with minors.

- The President shall name one or more Highlands Little League Board of Directors to perform background checks under the direction of the President.
- The President shall review the results of any background check that returns information that warrants further investigation.

If the background check returns information, or Highlands Little League subsequently becomes aware of information, by any means whatsoever, that an individual, including, but not limited to, volunteers and players, has been convicted of or pled guilty to any crime involving or against a minor, the President must contact the applicable government agency to confirm the accuracy of the information. The President or designee(s) shall also notify the individual of the action that is being taken so that the individual can offer any response or comment to the President and the Highlands Little League Board of Directors. Upon confirmation of a conviction for, or guilty plea to, a crime against or involving a minor, Highlands Little League shall not permit the individual to participate in any manner. That person shall be dismissed immediately.

If the background check reveals that the individual, including, but not limited to, volunteers and players, has been convicted of or pled guilty to any other type of crime not involving a minor, the President must contact the applicable government agency to confirm the accuracy of the information. The President or designee(s) shall present the findings to the Executive Committee. The individual shall have the opportunity to present his or her side of the case to the Executive Committee. All forms submitted for and created as a result of the background check shall remain in the possession of the President or designee(s) until the end of the fiscal year. Except as required by law, no other person shall have access to or see the forms.

1.4 Registration and Safety Evaluations

To register a child for the upcoming spring season of baseball/softball, a parent/guardian must register their child(ren) online at www.highlandsl.org and provide required paperwork. Required paperwork may be submitted online during the registration process or at one of the available in-person registration dates. Dates, times, and location of the registration dates will be made available upon the opening of registration on the website.

As per section 1.2 of these bylaws, refer to Little League Baseball Proof of Residency Requirements document for details on acceptable proof of residency documents that must be submitted at registration (<http://www.littleleague.org/learn/forms.htm>). These documents may be uploaded to the website upon registration or brought to one of the in-person registration dates for verification.

Highlands Little League will hold two safety evaluation dates prior to the start of the season. Attendance on one of these dates are required for those registered and planning on playing in the pee-wee division and above in both baseball and softball. The primary purpose of the safety evaluation is used in determining whether a child has the adequate skill and knowledge to play at the registered division safely. If the Highlands Little League Board of Directors feels that there is a safety concern with the child and their registered division, the President (or his/her designee) will discuss the options with the parent(s) regarding the concern.

During the safety evaluations, each child is scored based on different skill abilities. In addition to using this in determining safety, managers use these scores during the draft process in the selection of their team.

If a player is unable to attend one of the safety evaluations, they will not be drafted nor eligible to participate in all-stars. For the pee-wee and minor divisions, the player will be placed on a team at the end of the draft in order starting with the manager who would have selected next. If there are multiple players to be placed for being absent from the safety evaluations, they will be placed in order starting in order of initial registration date. For the major division and above, a player will be ineligible to participate in the upcoming season if he/she misses the safety evaluation requirements. A parent/guardian may provide a written explanation to the Highlands Little League Board of Directors explaining the circumstances that lead to the player not participating in the safety evaluation for determination of season eligibility.

1.5 Refund Policy

SPRING SEASON

Because expenses are incurred by Highlands Little League based upon the number of players that register and the disruption that can happen to a team because a player leaves, it is necessary to have an established refund policy. The following dates and refund amounts are as follows for all divisions:

- 2 – 50% refund from the date of the draft up to (and including) the last day of February

Under extraordinary circumstances the Highlands LL Board may approve a full or partial refund, at their discretion, after written notice by the parent/guardian requesting a refund. Extraordinary circumstances may include, but not limited to, a child injury, moving, etc. It DOES NOT include circumstances such as a player changing their mind not to play, resigning due to not being drafted to the players/parents preferred team, etc.

After notification of the nature of the offense, the accused offender will be given an opportunity to respond to the allegations in person or in writing. 6.0 Parents

6.1 Parent Involvement

Highlands Little League is a volunteer organization and strives to keep registration fees and other costs as minimal as possible. It cannot be effective if only the board of directors and a few other parents do all the work. It is critical that each parent be involved with the operation of Highlands Little League. Parent involvement helps ALL of the kids playing in the league. Therefore, ALL parents shall be accountable for one of the areas of responsibility on their child's team. Each parent shall have something to do that will foster team spirit and take burdens off the managers' shoulders.

Areas where team parents should help include, **but are not limited to**, the following:

- Coaching
- Uniforms
- Fundraisers
- Pre-game field preparation and post-game field repair.
- Field Maintenance
- Team Parent
- Concessions

6.2 Parent Conduct

Parents must exhibit good sportsmanship at all times, especially from the stands. Coaching from the stands is not allowed, but encouraging players is. Negative comments **will not** be tolerated. The board member on duty will have the right to remove any spectator from the fields if they are a disruption to the game in any fashion. Refusal to

leave the premise after being asked to do so by the board member on duty will be grounds for expulsion from Highlands Little League functions for a minimum of the remainder of the season.

7.0 Team Formations

The most important consideration in assigning players to teams is the assignment of players to the level of play they are best suited for. Additional considerations are to distribute the available player talent so that all teams in all divisions of Highlands Little League are competitive.

7.1 Tee Ball

Tee Ball division teams are established by the Divisional Player Agent based on a number of factors. Players in these divisions can request to play with certain players and /or a certain Managers. Other factors include:

- Equal distribution of age
- Neighborhood school residence
- Geographic location

NOTE: Registration numbers and age distribution may require that players living in the same neighborhood play on different teams. There are no evaluations, tryouts, or draft for these divisions.

7.2 Pee-Wee

The Pee-Wee division teams are formed using a draft. This division shall hold safety evaluations each year. Safety Evaluations are conducted to determine level of skill in basic playing fundamentals to help assist in deciding the players appropriate division level. The President or Vice President, and the Chief Player Agent/Registrar should also be at the draft to assist the Divisional Player Agent and to record and verify the final results.

7.3 Baseball Minors, Softball Minors

The Baseball Minors and Softball Minors division teams are formed using a draft. This division shall hold safety evaluations each year. Safety Evaluations are conducted to determine level of skill in basic playing fundamentals to help assist in deciding the players appropriate division level. The President or Vice President, and the Chief Player Agent/Registrar should also be at the draft to assist the Divisional Player Agent and to record and verify the final results.

7.4 Baseball/Softball Majors, 50/70, and Juniors

The Baseball / Softball Majors, 50/70, and Junior division teams are formed using a draft. These divisions shall hold safety evaluations each year. Safety Evaluations are conducted to determine level of skill in basic playing fundamentals to help assist in deciding the players appropriate division level. The President or Vice President, and the Chief Player Agent/Registrar should also be at the draft to assist the Divisional Player Agent and to record and verify the final results.

The Highlands Little League Board of Directors, through the Chief Player Agent/Registrar reserves the right to continue any player who has a residence change (e.g., moved outside of the Highlands Little League boundaries) after becoming a member of Highlands Little League as provided in the official rules (following proper completion and submission of appropriate Little League waiver forms). However, the Highlands Little League Board of Directors shall take into account the interests of the player in exercising this right.

8.0 Draft Plan

Highlands Little League will use draft "Plan B- Redraft" per Little League International guidelines. This is the redraft option whereby all teams are redrafted in entirety every year. Managers are allowed a "manager's exception" in that they may draft their own son/daughter but must do it by a certain round based on the player's age. All other players will be "unprotected" and can be drafted by any manager, with all players combined into one pool to draft from. If a manager's exception has a brother or sister in the same division, the manager has the right to have that player "earmarked" for selection in the appropriate round. While the manager will draft their team and be allowed the "managers exception", no "coaches exception" will be allowed prior to the draft. Please see the full description in the Little League international handbook – Draft Rules.

8.1 Trading Players

All player trades shall be made through the Divisional Player Agent. Player Trades must be completed within 14 days after the first scheduled game. All trades must stay within the same division and be player for player only. Trades for future draft choices are not permitted. All trades must be for a justifiable reason and approved by the Board and the Divisional Player Agent. If not approved, the trade is vetoed.

8.2 Player Draft Re-entry

The spirit of the player draft re-entry is to protect the relationship between the player, parent, and manager/coach. When a problem exists between a player and manager/coach, or parent and manager/coach, the following steps must be taken, in the order listed:

- Discuss the situation with the player's team coaching staff.
- If no resolution is reached, the manager and parent(s) shall notify the Divisional Player Agent.

- If the Divisional Player Agent is unable to resolve the situation, the Divisional Player Agent shall notify the Highlands Executive Committee who will provide a recommended resolution to the Highlands Little League Board of Directors
- The Highlands Little League Board of Directors shall grant or deny requests for re-entry into a draft based on how well the previous conditions were met. All considerations for the best interest of the player will be given.

8.3 Player Vacancy

If a vacancy on a Majors division team occurs, the Replacement procedure shall be as follows:

The manager of the team losing a player shall promptly advise the Division Player Agent when a player is lost to a team during the playing season for any of the following reasons:

- He/she moves to another city or state too distant to commute for practice and play;
- He/she is injured (does not matter how, where, or when the injury occurred) and it is a season-ending injury;
- He/she has, for personal reasons, decided to terminate his/her association with the team;
- Any other justifiable reason reviewed and approved by the Board of Directors.

The Divisional Player Agent shall advise the President and the Highlands Little League Board of Directors. If the loss of the player is approved, the President will send a letter of release to the player and the parents stating that the player is released from the team (except for injury) and the league for a justifiable reason. This action creates a legal opening for a replacement on the team roster. If the vacancy occurs before May 1st, the manager shall review the available player list (players on a Minors team who attended tryouts) with the Divisional Player Agent and shall select a replacement. The Divisional Player Agent and President will discuss with the parents of the selected player, the possibility of their child moving into the Majors Division. If the parents and player agree, the replacement player becomes a member of the team.

Players who quit are to be treated as move-outs. A player who misses three consecutive unexcused regularly scheduled games will be considered to have quit. This will be subject to the judgment of the Board and Divisional Player Agent who will consult with the player's parents.

All movements of players must be handled by and through the Divisional Player Agent. The Divisional Player Agent, parents, and player must approve all movements of players to and between Major Teams.

15.0 Tournament Team Process

As a league, Highlands Little League strives to make sure that the regular season offers as much opportunity to play and experience baseball and softball as possible. The League implements numerous local rules to make for a more enjoyable playing experience for ALL players. Our League has many different playing levels, each geared to accommodate players based on their age and ability of play.

15.1 Selection Policy and Basic Overview

The All-Star Season is a completely separate season from the regular season. It is an opportunity for a significantly higher level of play within the regional Little League system. Players will have a significantly higher level of commitment and will receive a higher level instruction and to compete against other All-Star teams.

When it comes to All-Star teams, it is the intent of Highlands Little League to field teams that will **best represent our league in competition and character**. Highlands Little

League believes that it is important to include the players themselves in the selection process and that the process be transparent and fair to all kids. All of the baseball and softball players need to have an opportunity to make the team regardless of popularity, school affiliation, parental influence, or manager prejudice. For those that are not selected for the team the details regarding their candidacy shall be held in the strictest of confidence and remain private.

All selection decisions regarding All-Star teams need to be made with these deals in mind. Several characteristics permeate our selection process for players and managers for the All Stars team:

- Skill-level and ability to compete
- Attitude, hustle, team spirit, team leadership, and
- Overall character, integrity, and sportsmanship.

Winning is fun, but it is very important that we remember that Little League is a Child Development Program and that we are about teaching life lessons, building and demonstrating the positive ideals and characteristics that we hope for all our children.

The Board may request manager candidates to present themselves in front of the board, prior to the vote. Any All-Star manager candidate, who is a member of the Board, will excuse themselves from the vote for the All Star manager position in which they are requesting.

The Board will then vote for one manager for each team to be fielded. The applicant with the most votes is then passed to the President for appointment and from there to the board for approval. In the case of a tie, a run-off vote between the tied applicants will be done by the board or selection committee as appropriate. The successful candidates selected as Managers will be notified by the President.

The All-star Coaches for each division will be selected by the Manager. Only Coaches who served as regular season Coaches may be selected.

All coaches must be approved by a majority vote of the Board. The managers will be selected based on the following traits:

15.5 All-Star Player Selection Process

The process for selecting All-Star teams will involve several steps. As in years past, the players will make some of the selection for the All Star teams and the Managers shall complete the remainder of the recommended team which is then approved by the Highlands Little League Board of Directors.

Balloting

Any players who have indicated interest in being considered for All-Star voting shall be placed on the ballot as a Candidate. During the month of May, every manager will solicit all of the players on their team to identify those that are interested in having their name considered for the All-Stars Tournament ballots. The manager will then provide that information to the Divisional Player Agent.

Voting

All regular season Little League players are allowed 8 votes for the Candidates on their divisional ballot. Managers or Parents may not assist in the vote. Player voting is an independent and anonymous activity which is conducted on the field. Players may vote for themselves and must vote only once per Candidate.

Vote Tally and Initial Player Selections

The first 5 players for a team, by top vote getters for each division, will be placed on the All Star Team and unanimously approved by the Managers (or their designee) within that division. If the vote is not unanimous, all managers must write down the name of the player(s) who they feel should not make the team. If all managers agree on the player(s) which should be stricken from the list, the player(s) will return to the original list of candidates.

Final Team Configurations

A mandatory managers meeting will be conducted for each division that will have a team in the All Star tournament. During this meeting, the confirmation and approval of the 5 players selected by the popular vote will occur.

Additionally, the All Star manager and his/her coaches, will select the remaining players for the team with input from the rest of the managers from within that division.

- OR -

Players 6-10 will be selected by the managers within that division, who will vote by confidential ballot.

Once players 1 – 10 are selected and approved, the remaining players for the All Star team will be selected, with the help and input from the other managers within the division, by the All Star Manager.

Selection of the players shall be evaluated on multiple criteria including, but not limited to: Player's performance, attitude, sportsmanship and teamwork. The team is completed on the basis of these criteria and on the needs of the All-Star team (i.e. are there adequate catchers and pitchers, and other key positions represented). Once the managers have completed their deliberations and the final recommended slate of

players for each team is submitted to the Board and President for final approval. The President shall be involved in the manager deliberations and shall make the final decision to accept the manager recommended roster on behalf of the Highlands Little League Board, unless the President feels that there is sufficient reason to call for a Board meeting to resolve an issue.

Confidentiality and Oversight

The process and meetings are facilitated by the President and assisted by the Divisional Player Agent. The selection results (number of votes, selection order, etc.) and Manager Deliberations about the prospective players are strictly confidential.

Player Notification

The All Star team manager is asked to notify all team members as soon as possible but no earlier than June 1st.

Managers of players not chosen will notify those players as soon as

possible. **All-Star Announcement**

The All-Star teams will be announced at Closing Ceremonies, as long as Closing Ceremonies will be on or after June 1st. Additional announcements will be made on the Highlands Little League website and other social media platforms.
